**GETS UNDER 3.5" KICKS**

# SandPaperLess

HARDWOOD REFINISHING SYSTEM

Multi-disc cutting for rough, intermediate and fine sanding. Safely and Easily prepares floors for stains and finishes.

Our **5 counter-rotating heads** add stability and produce a superior finish.

Maneuverable, agile and edges to within 1/8" of the wall.

Easily and Quickly removes Aluminum Oxide.

Use under kicks, on stairs, floors and hard to reach places.

Use **WERKMASTER** Diamond Abrasive Metal Bond Tooling and **Premium TurboBrade** and **TurboFinish** Abrasion Discs.

Use **ONLY ONE** machine to refinish and blend edges.
